**IPC HAND SOLDERING COMPETITION — World Championship Qualification**

**IPC HSC at Electrosub — Budapest, Hungary, 11–13 October 2017**

## Who's the BEST of the BEST IN HAND SOLDERING?

IPC would like to invite you to join the inaugural IPC Hand Soldering Competition (HSC) at ELECTROSUB Electronics Technology Conference and Fair, 11-13 October 2017 Budapest Hungary. Located in Terminal 1 Airport Event Center skilled soldering experts will be competing for cash prizes and a coveted spot at the IPC Hand Soldering World Championship, held this year in Europe.

There will be two competitions at ELECTROSUB this year, one for the professionals and one for students who would like to demonstrate their skills.

Students will follow similar rules as the professionals and will be soldering a printed circuit board assembly which meets their skill level. Cash prizes will be awarded to students at the following level: 1st place — €30; 2nd place — €20; 3rd place — €10

The professional competitors will be judged by IPC-A-610 Master Instructors, on soldering a complex printed circuit board in accordance with IPC-A-610F Class 3 criteria. Additional criteria will include the speed at which the assembly was produced and overall electrical functionality of the assembly.

### Prizes:

Cash prizes will be awarded to the professionals the winner and two runners-up. In addition, the winner will be invited to attend the IPC HSC World Championship, located in Munich, Germany this year in November.

**1st place — €300; 2nd place — €200; 3rd place — €100**
